

Liberal Democrats

More and more people are supporting the Liberal Democrats. Every sign is that we can win more votes and elect more Liberal Democrat MPs. Britain has real problems. We need to do more to improve our health service and education. We need action to tackle crime and to get a better deal for pensioners. This leaflet tells you more about real ways in which we can help to do these things. People tell me that they are tired of spin and deceit from politicians. Liberal Democrats offer a real alternative.

We should not have gone to war in Iraq There were no Weapons of Mass Destruction; there was no serious and current threat; and inspectors were denied the time they needed to finish their job. The war has cost thousands of lives on all sides, and the British taxpayer has had to foot a bill for over £3.5 billion so far.

I would like to help Roger's campaign by:

Your chances of surviving life-threatening and debilitating illnesses are higher with swift diagnosis. When a GP believes you may have a serious illness, the **Liberal Democrats will offer diagnosis by the quickest practical route so the NHS can treat you more quickly.**

Axe the unfair Council Tax.

The Council Tax penalises pensioners and people on low incomes. Under the Liberal Democrats, a typical household will save around £450 per year.

Those towards the end of their lives deserve dignity. **Liberal Democrats will provide free personal care when people most need it** – for as long as they need it.

Liberal Democrats would **make our pension system fairer for women and more generous for all those who have contributed to our society** in so many ways throughout their lives.

Cut class sizes. Liberal Democrats will cut class sizes from the present maximum of 30 to an average of just 20 for pupils up to 7, and we will cut average class sizes to 25 for pupils up to 11 – so every child gets the best possible start at school.

Tens of thousands of students are saddled with mountainous debts. **Liberal Democrats will abolish all student tuition fees.**

More police on the streets - cutting crime and the fear of crime. Getting rid of Labour's expensive and ineffective ID card scheme will pay for 10,000 extra police. In addition, Liberal Democrats will complete existing plans for an extra 20,000 community support officers to back them up.
